Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: This is OUTRAGEOUS!!! I have
a right to take natural hormones
AND to obtain them. If the big
drug companies want the money, let
them provide natural options to their
pharmaceutical "poisons." I won't use
their "one-size-fits-all, tortured horse"
hormones no matter what they do!
Could the government PLEASE GET
OUT OF MY LIFE !!!
